**WHISKEY FLIGHTS / 1 OZ POURS**

Our entire whiskey library is available in 1 oz. pours (a "cheeky") or as a flight. Build your own flight by picking any three products from our whiskey selection to try side by side. Our staff is eager to help guide you through this experience. Prices vary depending on your selection and availability.

\*Rare Or Allocated

**IRISH WHISKEY**

Irish whiskey must be distilled and aged in the republic of Ireland or in Northern Ireland. It must be aged for at least three years in wooden casks. If the spirits comprise a blend of two or more distillates, the product is referred to as a "Blended" Irish whiskey.

**TENNESSEE WHISKEY**

Tennessee whiskey is different from bourbon by two key exceptions - it's charcoal filtered before aging in barrels and it has to be distilled in Tennessee.

**JAPANESE WHISKY**

Whisky production began in Japan around 1870, but it's first commercial production wasn't until 1924. Broadly speaking the style of Japanese whisky is most similar to that of Scotch whisky.

**BOURBON**

Bourbon is an American whiskey, like Bulliet or Maker's Mark, made from at least 51% corn and aged at least two years in new charred oak barrels. It must also be distilled the United States, and is strongly associated with Kentucky. A Bourbon that meets the above requirements, has been aged for a minimum of two years, and has no added coloring, flavoring, or other spirit, may be called Straight bourbon.

**SCOTCH**

Scottish whisky is aged in oak casks for at least three years. Depending on the region, the Scotch may have different flavors - those from Islay, pronounced "eye-la," for example, tend to have a smoky, peaty flavor. While those from Speyside, like Macallan, are known for their smooth caramel flavors.
